HOLLISTER HOUSE GARDEN Impact Report

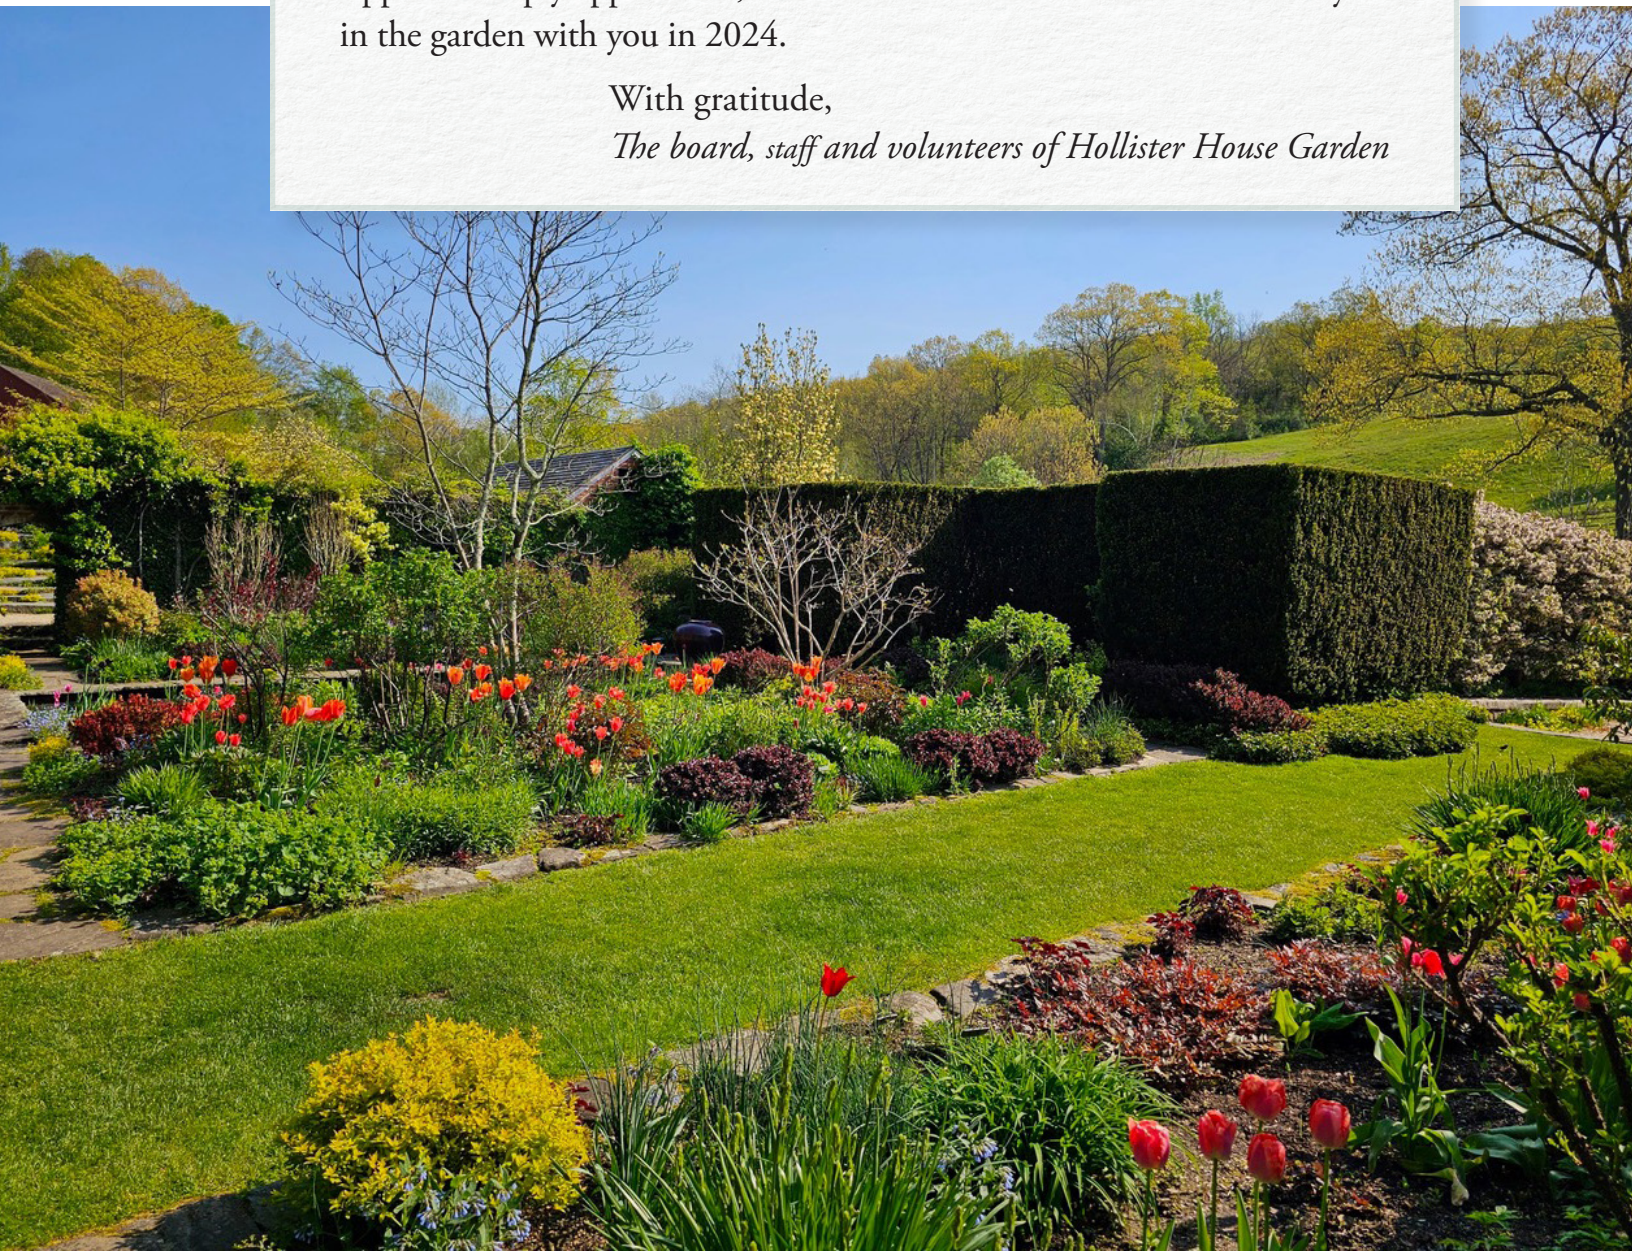

HOLLISTER HOUSE GARDEN

ABOUT US

At Hollister House Garden, Inc., our mission is to preserve and celebrate the beauty of our garden while fostering a community of garden enthusiasts. Through engaging educational programs in horticulture and the arts, we aim to enrich the skills, knowledge, and joy of individuals of all ages, nurturing a deeper appreciation for the beauty of nature.

We are pleased to share the inaugural Hollister House Garden *Impact Report* with our supporters and friends. This report highlights the indispensable role your support played in 2023, helping us reach new levels of community outreach. Your dedication through membership donations and our Annual Appeal is deeply appreciated, and we look forward to another fantastic year in the garden with you in 2024.

With gratitude,
The board, staff and volunteers of Hollister House Garden

Garden Visits

Between April and October, more than 5,000 visitors enjoyed the beauty and tranquility of this extraordinary garden. Your support helps us recruit and train our wonderful team of docents who enhance the visitor experience by greeting guests and sharing their passion for and knowledge of the garden.

Education

Barn Talks and workshops bring horticulture and art to life, fostering a deeper appreciation of nature while providing participants with valuable knowledge and skills. Donations and memberships help fund our educational programs and allow us to keep fees reasonable.

Your Support in Action

Your memberships and donations are vital to Hollister House Garden, creating the strong partnership that enables us to provide the exceptional educational programming and community experiences that enrich us all.

Garden Study Weekend

This weekend of learning and inspiration, featuring some of the most important voices in the fields of horticulture and garden design, brings together horticulturists and enthusiasts from around the country. The generous support of donors and patrons ensures the success of this prestigious event.

Events

Events such as Family Day, Evening in the Garden, the Artists and Photographers series and group visits help our community connect with the garden and one another. Donors and members make it possible to plan, promote and staff these valuable events.
